

EuroCaravanning at the Caravan Salon 2024

A Ford for all occasions

At this year's Caravan Salon, EuroCaravanning not only presents the classic Fiat-based VANTourer, but also scores with two models based on the Ford Transit. The new additions are impressive across the board.

Koblenz. Flexible, forward, Ford: the van manufacturer presented the 600 D based on the Ford Transit last year. Now the model range has been reinforced just in time for the Caravan Salon: the Ford 550 D model is out now as well.

Lots of space in a small area

As you would expect from VANTourer, the new 550 D also offers compact comfort. Clever storage space solutions can be found wherever you look. To make optimum use of the available space, the diesel heater is integrated into the seating area instead of the rear. This creates enough space in the rear for the comfortable transverse bed, which invites you to relax with its generous sleeping area. Of course, the classic VANTourer Vario bathroom is also a must: Here, a spacious storage cupboard and cleverly integrated storage compartments create additional space. And the compact kitchenette offers everything your heart desires. Particularly practical: thanks to a double hinge, the refrigerator door can be opened in two directions and can therefore be operated either from the inside or conveniently from the outside.

Smart design

The "big brother", the 600 D, also impresses with even more clever features – it has almost the same design advantages as the 550 D, which have been supplemented with additional, clever features thanks to its larger space. For example, the generous worktop can be extended if required. For even more storage space, a practical pull-out cabinet has been installed here, which scores points with a clever kitchen roll holder. Convenient waste disposal has also been considered: the integrated waste bin can be easily removed and emptied.

Exclusive range

No matter which size you choose: VANTourer combines comfort, storage space and modern design in both models based on the Ford Transit – and all of that for an incredible price. Find out more now at the Caravan Salon in **Hall 01, Stand 1A01-06** and take a look at the Ford models.
